Dear Parent/Carer

Re: Bus Timetables for September 2017

We have been working with the bus providers and transport at Hertfordshire County Council (HCC) for some time to agree the new timetables for buses that provide transport for our students. You will be aware that we have a blend of commercial services and contracted services.

Please be assured that no student will be given a consequence if they are late because of a late-running bus. Students will need to ensure that they sign in as they currently do. This includes the small number of students who use the E85 service, which is not due to arrive until 8.40am.

Each bus company will produce their own detailed timetables as they currently do and publish these on their websites in due course. The following website also has details of bus timetables: <https://www.intalink.org.uk/> You will see from the table on the next page that a small number of services will stay the same. We have asked HCC that they be retimed when the contracts are retendered, although these changes will also need to take into account the needs of other local schools. Students who get a bus from one of the stops in Ware will have the opportunity to stay in school in a staffed homework club until they are ready to leave the school premises to catch their bus. The homework club will run from 3.30pm to 4.30pm.

Whilst the majority of the new bus times fit perfectly with the new times of our school day, we appreciate that there will be some who will need to walk briskly from the Ware college stops. We appreciate your support in this transition period.

Yours sincerely

Matthew Warren
Headteacher

Presdales School – Arrival and departure times from September 2017

Bus number	Provider	2017-18 Arrival time to Presdales/other	2017-18 Depart time from Presdales/other	Notes
