Dear Parents / Guardians

Re: Year 11 (Design & Technology: Graphics and Textiles) Visit to the Paper Trail, Hemel Hempstead

As part of the development for their non-examination coursework, a visit to the paper Mill, Hemel Hempstead, has been arranged for Tuesday 23rd October 2018. This is an invaluable opportunity for pupils to view the paper making process, and see the Fourdrinier machine in practice. They will also take part in a workshop that will help develop their understanding of industrial processes and have an opportunity to visit the shop. Pupils will be expected to collect material that can be used as part of their non-assessment coursework project. Please look on the Paper Trail website should you wish to know more about the establishment: www.thepapertrail.org.uk.

We will leave school at 9.00am and hope to return in time for afternoon lessons beginning at 1.45pm.

The girls will be expected to:

- wear full school uniform
- bring a sketch book
- respect others whilst at the Paper Trail
- bring a packed lunch and drink
- bring a small amount of money to purchase postcards etc

A contribution of £19.50 is required to cover the cost of the workshop and the return coach journey to Hemel Hempstead.

If you wish your daughter to attend, please complete the slip below and return to Mrs Eyre by Friday 5th October 2018.

Yours sincerely
