Dear parents/carers,

**GCSE Spanish revision guides**

As your daughter prepares to revise for her GCSE examinations in Spanish, we would like to offer you the opportunity to purchase revision guides and/or workbooks to support her in this. These resources are produced by the AQA examination board and contain an outline of all the content covered by each unit of your daughter's course. They also contain practice questions and example answers, and guidance on how to answer each question type on the exam. Access to a free online edition is also included with each guide. It is important that your daughter uses her course notes and active revision strategies involving self-testing and practice questions, to revise. The course summary in the revision guide is not sufficiently detailed on its own to secure the higher grades; however, your daughter may find it useful as a starting point and to support her in structuring her revision.

We have been offered the opportunity to purchase these resources at a discount price from the publishers, Pearson Publishing, so the cost will be £2.49 per guide and £2.49 per workbook, instead of £5.99 each.

If you would like to purchase copies of the revision guides, please complete the slip below and return it to Mrs Eyre in the School Office by Wednesday 15<sup>th</sup> November, together with payment by cheque, payable to Presdales School, or cash, in a named envelope.

Yours faithfully,

**Ms G. Price**  
**Head of Spanish**
