

Dear Parent/Carer

### **Vote for us in the Aviva Community Fund 2018**

I hope that by now you are aware of the project to install a synthetic hockey pitch at Presdales School. Working towards a 2019 start date for construction, with the right support, this will benefit the majority of our current students.

Gathering pace this project has the support of the local Town and District Councils and we are working closely with Hertford Hockey Club and England Hockey amongst others to gain planning and funding.

Hertford Hockey Club has been successful in getting this project into the Aviva Community Fund first round. With our votes currently exceeding 5,000 we need in excess of 10,000 to have a chance of securing the £25,000 available and we need you to vote for us – please!

[www.avivacommunityfund.co.uk/Vote](http://www.avivacommunityfund.co.uk/Vote) takes you to the registration page and a simple process, taking less than 5 minutes will allow you to vote 10 times for us. The project title is Hockey Pitch and is all that is needed to search the project photo link to the voting page. 10 votes are available for anyone aged over 13, from any UK email address.

Please make a difference and place your votes - as many as you can. Voting has been taking place by students in school during registration but if your child was unsuccessful due to system issues please encourage them to try again from home or their phone.

**Voting closes 20<sup>th</sup> November 2018.**

Thank you for taking time to read this, please share it with friends and family and thank you for your help.

Yours faithfully

A handwritten signature in blue ink, which appears to read "Nikki Albone".
