Jackie Harvey

I have 12 years experience as a school Governor in both in a Primary School and at Presdales. I'm in my second term of office as an elected Parent Governor at Presdales School. I have previously served on the Premises Committee; now I actively participate on the Achievement and Curriculum committee. I am the link Governor for School Council, Looked After Children, the designated Governor for Child Protection and I'm part of a team of Governors that mentor students.

I was both Chair and Vice-chair of Governors at a local Primary School. In addition to being the Designated Governor for Child Protection, I was a member of the Curriculum and Personnel committees with added responsibility for school admissions.

I'm a former nurse, on a extended career break raising my 3 daughters. I have been a mature student and I'm involved in Swimming both as a Technical Official and as the Disability Swimming Manager for the County.
