18<sup>th</sup> September 2017

Dear Parents/Guardian

We are intending to take our year 7 pupils on a residential Adventure study Maths course to Little Canada, Isle of Wight, from Wednesday 7<sup>th</sup> March to Friday 9<sup>th</sup> March 2018. The centre is run by the PGL group, leaders in running educational adventure activity courses.

The planned course will cost £200, which includes a voluntary contribution for travel and tuition and a charge for board and lodgings. The Little Canada centre provides full board accommodation, a full programme of activities and full insurance cover. Pocket money and meals en route are not included in this price.

As I am sure you are aware, residential courses are an invaluable part of the National Curriculum. We feel sure that the course will be a most worthwhile and enjoyable experience for those pupils concerned. Adventure Study Maths extends learning beyond the classroom and into the world at large. It uses adventure sessions as a basis and inspiration for the Mathematics National Curriculum. The pupils will take part in activities from the following: abseiling, archery, climbing, fencing, high/low ropes, Giant swing, problem solving, quad bikes, orienteering and numerous other activities.

For further information go to the PGL website, [www.pgl.co.uk](http://www.pgl.co.uk), but if you have any questions whatsoever relating to the trip; please do not hesitate to contact me here at the school.

If you would like your daughter to participate, please complete and return the tear-off slip below, together with an initial payment of £75 as soon as possible and before Friday 6<sup>th</sup> October. Payment can be undertaken via one of the following payment methods: either an online debit or credit card payment through the Wisepay payment portal (accessible through a link on the school website); a cheque made payable to Presdales School; or cash in an envelope, clearly labelled with the student's name and form group, and the name of the trip. Give the envelope addressed to Mrs Eyre, via the main school office. If you are concerned about meeting the payments for this trip, but would like your daughter to participate, please contact Mrs Eyre as soon as possible so that appropriate arrangements can be made. The final payment of £125 is due by Friday 15<sup>th</sup> December 2017.

Yours sincerely

M Clarke (Miss)  
Head of Year 7
