

PRESDALES SCHOOL PERMISSIONS

Biometric/Careers/Images/Photographs

Presdales is obliged to ask for additional permissions for specific items that do not come under the Statutory, Business Need and Safeguarding Requirements. There are various reasons as to why we will use images and therefore permissions must be separated.

Who signs for permissions changes with the age of the student:

For students aged 12 and below, all the permissions are signed for by a parent/carer.

For students aged 13 and above, permissions for images/photographs are signed for by the student, however biometric data is signed for by parent.

For students aged 18 and above, all permissions are given by the student.

Please complete each statement:
