Dear Parents and Guardians,

Re: Year 10 Stratford, East London, Urban Regeneration Field Study Day

To fulfil the remaining fieldwork requirement of the GCSE course, we are taking Year 10 geographers to Stratford on an urban field study. GCSE students are required to complete one physical geography field study (Epping Forest already completed) and one urban field study day.

Specific details of the trip are:

Date	Monday 22 nd October 2018
Time	Departure from school: 9.00 a.m. Departure from Stratford 3.30 p.m. to return to school at 4.30 p.m.
Destination	Stratford, East London
What should students bring/wear?	Warm clothes and a coat, sensible footwear, a clipboard, pens and pencils and a packed lunch with drinks or some money to buy lunch at Westfield Shopping Centre.

It would be appreciated if you could complete the attached permission slip and the medical information form and return these to the School Office, along with a voluntary contribution of £ 42.00 if not made by Wisepay, by Monday, September 10th, 2018.

I do hope that you will be able to support us in taking your daughter out of school for this essential fieldtrip. If you are concerned about meeting the payment for the trip or have any questions then please contact me as soon as possible.

Yours faithfully,

Mrs L Hyslop
Head of Geography
