Headteacher: Mr M Warren

Dear Parents/Carers

This term Year 11 students are undertaking their third and final unit of work – ‘Concept to Creation’. For this externally examined unit of work, students must take the part of both Deviser and Performer or Deviser and Script Writer, working from the stimuli provided by the exam board.

The student devised performance or devised script, alongside a written working record, is worth 40% of the final GCSE mark awarded. With this in mind, a technical and dress rehearsal evening has been organised to assist all students. Performing to an audience is vital preparation and therefore I would like to take this opportunity to invite you along to the technical and dress rehearsal of the Year 11 Concept to Creation examination work. This will take place on **Thursday 4th May 2017** and will start at 6:00pm in the Drama studio. If you would like to attend this sharing of work, please fill out and return the cut off slip at the bottom of this letter.

In addition, we have now received details of the final examination date where students will perform and present their work to the visiting examiner. Those completing the deviser script writing option will also be required to give a presentation to the visiting examiner. The final examination is scheduled to take place on **Tuesday 23rd May 2017 at 10:00am**. Students will receive further instructions about the schedule of this examination once details have been finalised with the visiting examiner. As a forewarning, the students will need to be at school by normal registration time of 8:50am to prepare and set up for the examination.

If you have any questions about the above, please do not hesitate to contact me.

Yours sincerely

Miss S Ward
